MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENTS

India's dairy sector is one of the fastest growing in the world. It offers a very white, bright and freely flowing opportunity due to its size and growth. We believe this scale and underlying momentum will throw up even more possibilities.

The main reasons for the backbones of the Indian Dairy market growth over the years are:

- A huge unorganized market led by fresh dairy product.
- A consumption and market shift to Value added Dairy products.
- Large vegetarian population

These factors are set to escalate the opportunities for investment and value addition in line with the consumer expectations.

OPPORTUNITIES AND THREATS

India's Dairy sector is throwing up big investment opportunities; a mix of growth, rising consumer maturity and the shift to more value added products.

India is looking to double milk processing capacities from the current 53.5 million tonnes to 108 million

tonnes by 2025, and will have a quantum leap in the share of value addition in milk products. This opens vast opportunity for growth in this sector.

These opportunities also demand investments in Milk sourcing capability, diversification in the value added products, Business to consumer franchises and strong distribution networks and ability to build brand and investment in a brand equity.

RISK AND CONCERN

Like any agro based industry, the dairy industry is also dependent on the vagaries of nature which affect the production of milk. The milk being perishable cannot be stored for processing at a later stage.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

To provide reasonable assurance that assets are safeguarded against loss or damage and that accounting records are reliable for preparing financial statements, management maintains a system of accounting and controls including an internal audit process. Internal controls are supported by management reviews.

The Board of Directors have an Audit Committee that is chaired by an Independent Director. The Committee meets periodically with Management, Internal Auditor, Statutory Auditors to review the Company's program of internal controls, audit plans and results, recommendations of the auditors and management's responses to those recommendations.

FINANCIAL PERFORMANCE AND RESULTS OF OPERATIONS

During the year under review, the Company achieved Net Sales and Other Income of Rs. 7,66,03 lacs as against Rs. 5,60,69 lacs in the previous year and resulting into net profit of Rs. 3,49 lacs against the net profit of Rs. 6,06 lacs in the previous year.

To achieve the Company's focus on sale of Fresh Dairy Products like Milk in Sachets, Fermented Dairy Products i.e. Dahi and Chach, Cheese and Fresh Paneer in Modern Dairies brand, your Company is putting in efforts to increase its share in the market. During this year, with efforts and consistent quality and through expanded distribution, the growth on sales has been encouraging.

This year the prices of milk have been high as compared to last year. The entire increase in the price of milk could not be passed on to the customers, thereby affecting adversely the margins on fresh dairy, cultured products & cheese. It is a matter of satisfaction to note that the Company's products are well accepted. The sales growth is encouraging and

the company hopes to improve its performance in the times to come.

The company is still facing the uneconomical situation for manufacture of export dependent product i.e. Casein, which was non operational most of the time this year, being unviable due to low international prices of Casein.

The year has started with the outbreak of pandemic COVID-19. The first half of current fiscal has posed uphill task for the economy in wake of COVID-19 and caused significant disruption due to lockdown imposed. The Hotels, restaurants, Caterers and sweet shops were remained closed during lockdown.

Even as the lockdown was eased the volumes from this segment are far below normal. As a result of this, company's sales of Cheese and Pure Ghee were affected adversely. The current half year sale is Rs.3,58,97.50 Lacs against last half yearly sales was Rs.3,63,37.45 Lacs.

HUMAN RESOURCES

The Company regards its employees as valuable asset and continuously reviews and evolves policies and procedures to attract and retain its pool of technical

and managerial personnel through a conducive work environment.

As at 31st March, 2020 the Company had a total workforce of 371 persons.

CAUTIONARY STATEMENT

Actual results may differ materially from those expressed in the statement as important factors could influence the Company's operations such as Government policies, political and economic developments and such other factors are risk inherent to the Company's growth.

The Company's various credit facilities, including Optionally Convertible Debentures have been declared "Non-Performing Assets"/ Recalled by its respective banks. There is a usual practice that banks discontinue to account for as "income" in respect to the accrued interest on such assets, subsequent to the declaration of these as "Non-performing assets". The bankers of the company too have not accounted as "income" in respect to the interest subsequent to NPA declaration date. In order to achieve the desired congruency on this issue & uncertainty of the amount liable to be paid, the management of the company has not provided for such interest i.e. interest on credit facilities subsequent to the date of declaration of these credit facilities as non-performing. Such interest amounts to **Rs. 7.23 Crores** and **Rs.27.58 Crores** for Current quarter & Year ended 31st March 2020 respectively (including on the assigned debts of SBI) and **Rs 16.297 Lakhs** and **Rs 65.722 Lakhs** in respect to optionally converted debentures for Current Quarter & year ended 31st March 2020 respectively which has resulted in the understatement of current liabilities and overstatement of profits by same amount. Even though the debts of SBI have been assigned to Edelweiss Asset Reconstruction Company Limited, in absence of any express agreement between the company and Edelweiss Asset Reconstruction Company Limited, no interest has been accounted for in this respect. This interest is not recorded in Profit & Loss Account.

Annexure 2

Annexure to the Independent Auditor's Report of even date to the members of Modern Dairies Limited, on the financial statements for the year ended 31st March, 2020

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the financial statements of Modern Dairies Limited ("the Company") as of and for the year ended 31st March 2020, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The said OCDs had an option of conversion into equity during 18 months from date of allotment of OCD as per then applicable SEBI guidelines. Since the conversion could not take place because of the issue of conversion price and as suggested by the lenders, the Company proposed to increase the rate of interest from its existing level of 0.001% to Coupon rate at 5 year G-Sec or 8.00% p.a. whichever is higher, in lieu of conversion. State Bank of India vide its letter dated 31st July, 2015 has already conveyed its approval for increase in the interest rate in lieu of conversion and the proposal is under consideration of Punjab National Bank and Canara Bank. In order to achieve the desired congruency on this issue & uncertainty of the amount liable to be paid, the management of the company has not provided for such interest i.e. interest on credit facilities subsequent to the date of declaration of these credit facilities as non-performing. Such interest amounts to **Rs. 7.23 Crores** and **Rs.27.58 Crores** for Current quarter & year ended 31st March 2020 respectively (including on the assigned debts of SBI) and **Rs. 16.297 Lakhs** and **Rs. 65.722 Lakhs** in respect to optionally converted debentures for current quarter & year ended 31st March 2020 respectively which has resulted in the understatement of current liabilities and overstatement of profits by same amount. This interest is not recorded in Profit & Loss Account.

Sales Incentive

The Company provides to its customers cash discount to get prompt payment and rebate for commercial settlements. Under previous GAAP, these discounts and rebates were shown as expenses under the head "other expenses".
