MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENTS

India has come a long way from being in deficit days to being well embarked to emerge as the world's largest producer and consumer of milk. During last many years, India's milk production has been around 4% CAGR as against mere 1.6% CAGR posted by global milk production.

Going ahead, it has been estimated that India's milk production is around 185mn MT during the year 2018-19. Value added dairy products have been gaining importance with increasing changes in India's demographic and dietary patterns. It is estimated that, while demand for branded milk is expected to grow by around 15% CAGR, value added dairy products would grow even stronger by approximately 20% plus CAGR driven by increasing share of organized sector within traditional value added dairy products and rising penetration of high-growth emerging value added dairy products.

OPPORTUNITIES AND THREATS

Led by rising disposable income, and growing consumer preference for branded and value-added milk & milk products, investments by organized players in the sector has been on the rise. The organized players are set to grow at a fast pace.

On the international front the commodity prices continue to be low, whereas domestic prices have seen a sharp increase, thereby making the export from India unviable at present.

RISK AND CONCERN

The Indian Dairy Industry's long-term structural growth is undeniable and demand shift to organized players is also inevitable with transition to value added dairy products. However, the risks are:

- i. Milk price volatility can impact short-term profitability;
- ii. Capital intensive nature of value added dairy products can impact short-term Return on Capital Expenditure (ROCE), but it will reduce margin volatility due to vagaries of milk cycle.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

To provide reasonable assurance that assets are safeguarded against loss or damage and that accounting records are reliable for preparing financial statements, management maintains a system of accounting and controls including an internal audit process. Internal controls are supported by Management reviews.

The Board of Directors have an Audit Committee that is chaired by an Independent Director. The committee meets periodically with Management, Internal Auditor, Statutory Auditors to review the Company's program of internal controls, audit plans and results, recommendations of the auditors and management's responses to those recommendations.

FINANCIAL PERFORMANCE AND RESULTS OF OPERATIONS

During the year under review, the Company achieved Net Sales and Other Income of Rs. 5,60,69 lacs as against Rs. 4,67,29 lacs in the previous year and resulting into net profit of Rs. 6,06 lacs against the net loss of Rs. 18,57 lacs in the previous year.

As reported last year, the company’s operations team has focused on sale of Fresh Dairy Products like Milk in Sachets, Fermented Dairy Products i.e. Dahi and Chach, Cheese and Fresh Paneer in Modern Dairies brand. Apart from this, our focus has been on increasing the private label business of Fresh Dairy Products with the leading institutions. The company’s efforts have started showing positive results. It is a matter of satisfaction to report that the company’s operations have shown visible improvement in the current operational year. The Company products are well accepted and operational team is making best efforts to increase its presence in the market. The sales growth is encouraging and the company hopes to improve its performance with these efforts in the time to come.

The company is still facing the uneconomical situation for manufacture of export dependent product i.e. Casein, which was non-operational most of the time this year, being unviable due to low international prices of Casein.

Given market situation as explained above, on account of rising disposable income, rising consumer preference for branded and value added milk and milk products, there is a huge growth opportunity in the sale of these products in the domestic market. The company is continuously working hard to improve the operations and performance through the sale of these products.

In addition to this, the company has focused to increase volume of private label work being done with leading institutions. This is also resulting into increase in the sales volume and margins.

HUMAN RESOURCES

The Company regards its employees as valuable asset and continuously reviews and evolves policies and procedures to attract and retain its pool of technical

and managerial personnel through a conducive work environment.

As at March 31st, 2019 the Company had a total workforce of approximately 227 persons, excluding workers/ labour.

OPINION

We have audited the standalone financial statements of Modern Dairies Limited ("the Company"), which comprise the balance sheet as at March 31, 2019, and the statement of Profit and Loss, (statement of changes in equity) and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report and **Emphasis of Matters**, the aforesaid financial statements give a true and fair view in conformity with the accounting principles, of the state of affairs of the Company as at March 31, 2019 and profit/loss, (changes in equity) and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- I. Director's remuneration is not admissible as prescribed in Sec-197 of Companies Act, 2013 except in accordance with the provision of Schedule V and if it is not able to comply with such provisions, the prior approval of lenders is required.

The Company is not eligible to pay director remuneration for non-compliance of conditions prescribed in schedule V of the Companies Act, 2013. During the year, the Company has given the director remuneration to Mr. Krishan Kumar Goyal (Chairman & Managing Director) amounting to Rs. 30,00,000 and Mr. Ashwani Kumar Goyal (Executive Director) amounting to Rs. 26,62,358.

Apart from the managerial remuneration for year ended 31st March, 2019, as mentioned above the company has paid director remuneration of **Rs. 55,48,884** till 31st March, 2018 without complying the provisions of Schedule V of the Companies Act, 2013.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under

section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

EMPHASIS OF MATTER**(A) Assignment of SBI debt to ARC**

A lender bank of the company viz. State Bank of India (SBI) has assigned its loans and other facilities along with underlying financial documents together with all the rights, title and interest to Edelweiss Asset Reconstruction Company Limited, acting in its capacity as trustee of the EARC Trust- SC 306 for the benefits of the holders of the Security Receipts issued by the trustee thereunder.

During the reporting period there has been no written agreement between the Company and Edelweiss Asset Reconstruction Company Limited to crystallise the amount payable and interest thereon to them, hence the said debt, till then, is continued to be shown as payable to SBI instead of Edelweiss Asset Reconstruction Company Limited.

(B) One Time Settlement (OTS) with PNB

The company had proposed their OTS offer to Punjab National Bank (PNB). The bank has approved the same. The company has, however, requested to the bank for extension of the period of repayment of OTS amount.

(C) Interest provisioning on facilities from Consortium Banks & Optionally Convertible Debentures:

The Company's various credit facilities, including Optionally Convertible Debentures have been declared "Non-Performing Assets"/ recalled by its respective banks. There is a usual practice that banks discontinue to account for as "income" in respect to the accrued interest on such assets, subsequent to the declaration of these as "Non-Performing Assets". The Bankers of the Company too have not accounted as "income" in respect to the interest subsequent to NPA declaration date. In order to achieve the desired congruency on this issue & uncertainty of the amount liable to be paid, the management of the company has not provided for

such interest i.e. interest on credit facilities subsequent to the date of declaration of these credit facilities as non-performing. Such interest amounts to Rs. 24.55 Crores (including on the assigned debts of SBI) which has resulted in the understatement of current liabilities and losses by Rs. 24.55 Crores. Even though the debts of SBI have been assigned to Edelweiss Asset Reconstruction Company Limited, in absence of any express agreement between the company and Edelweiss Asset Reconstruction Company Limited, no interest has been accounted for in this respect.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Annexure 2

Annexure to the Independent Auditor's Report of even date to the members of Modern Dairies Limited, on the financial statements for the year ended 31st March, 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the financial statements of Modern Dairies Limited ("the Company") as of and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

There is a usual practice that banks discontinue to account for as "income" in respect to the accrued interest on such assets, subsequent to the declaration of these as "Non-performing assets". The bankers of the company too have not accounted as "income" in respect to the interest subsequent to NPA declaration date. In order to achieve the desired congruency on this issue & uncertainty of the amount liable to be paid, the management of the company has not provided for such interest i.e. interest on credit facilities subsequent to the date of declaration of these credit facilities as non-performing. Such interest amounts to Rs. 24.55 Crores (including on the assigned debts of SBI) which has resulted in the understatement of current liabilities and losses by Rs. 24.55. Even though the debts of SBI have been assigned to Edelweiss Asset Reconstruction Company Limited, in absence of any express agreement between the company and Edelweiss Asset Reconstruction Company Limited, no interest has been accounted for in this respect.

During the reporting period there has been no written agreement between the Company and Edelweiss Asset Reconstruction Company Limited to crystallise the amount payable and interest thereon to them, hence the said debt, till then, is continued to be shown as payable to SBI instead of Edelweiss Asset Reconstruction Company Limited.
